

Go, Go, You Pilots (1969)

Go, go, you Pilots, you proud Seattle team,
Go, go, you Pilots, go out and build a dream.
You brought the majors to the evergreen northwest,
Now go, go, you Pilots, you're going to be the best!

Welcome the Yankees, with pinstripe suits and all,
Red Sox and Royals, from April till the fall.
American Leaguers, you got what's known as class,
So welcome to Seattle, it's going to be a gas!

Go, go, go, go, go, go, go, go!

Now go, go, you Pilots, you're going to be the best!

White Sox and Tigers, the Angels and the A's,
See them at the ballpark on those good old summer days.
Orioles and Senators, the Indians and Twins,
Our Pilots ask no favors as they battle you for wins!

So go, go, you Pilots, you proud Seattle team,
Go, go, you Pilots, it's time to shout and scream.
We're with you Pilots, you're big league all the way,

So go, go, you Pilots,

Go, go, you Pilots,

Go, go, you Pilots,

Let the umpire holler "Play!"

Go, go, go, go, go, go, go, go!
